TIROL

The new registration platform

Frida.

Finds a place for you.

And all the
other children too.

Registration from **1 December 2025** to
31 January 2026 for the **2026/27**
childcare year at:

tirol.gv.at/frida

For all children
who need a place in
a crèche, nursery or
after-school care centre
for the first time or who
are **transferring** to
another facility.

/frida

Why does **Frida** exist?

The Tyrolean state government is implementing the right to the allocation of a place in a childcare facility. All children, from their second birthday onwards, should be provided with a place in a crèche, nursery or after-school care centre, if required. This requires good organisation. Registrations are collected via **Frida**. The childcare places are then allocated by the responsible local authorities or private providers as close to your place of residence as possible.

If a child cannot be placed in the desired facility, coordinators will help to find a place near your home or workplace.

When will **Frida** be available?

Does your child need a first-time place in a crèche, nursery or after-school care centre in the 2026/2027 childcare year, or are they changing facilities?

The registration platform will be available from 1 December 2025 to 31 January 2026.

Register your child!

Frida is the state's new digital platform through which parents or guardians can register their need for a place in a crèche, nursery or after-school care centre in Tyrol.

That means:

- **Previously:** Filling out a paper form and submitting it to the local authority or facilities during opening hours.
- **New:** Accessing the **Frida** registration platform (starting with 1 December) and easily registering your need from home.

Frida facilitates formal registration and data collection.

Frida enables fair and transparent placement.

Frida is for all children who wish to attend a crèche, nursery or after-school care centre for the first time or who are transferring to another facility.

If a child already attends a facility or has been accepted by a (private) facility, the data will be transferred automatically and no additional registration via Frida is required.

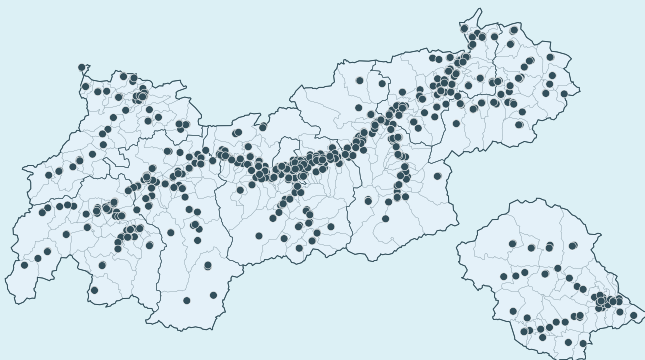

By the way:

Frida requires

ID Austria!

To use **Frida**,
you need ID Austria.

In exceptional cases, registration
will be possible using a paper
form, but **Frida** is waiting for you!

With the new **Children's Education Atlas**, families can get an overview of all the public, private and corporate childcare facilities in Tyrol – including services offered and opening hours.
